

IF IT HAPPENS
IT'S HEREPETE SULLIVAN
MAY GET EL GO

Manager Armstrong After Big
Fight in Copper Camp
on July 4.

Frank Armstrong, manager of Pete Sullivan, arrived in the city yesterday from Montana, where he has been on a business trip, and brought home with him the news that there was to be something big in the boxing game this summer at Ely, Nev., with Sullivan as one of the cards.

Armstrong found two letters in his mail yesterday from Pete, in which the local boy says he is ready to return to Salt Lake at any time.

Pete has had several offers to fight around New York since he defeated last Canadian champion in his recent fight, but says there is not much money in the game back there. Anyway Sullivan does not like the country and longs for the mountains again.

Armstrong says he is in correspondence with some people at Ely who want to pull off a big match there this summer and that they would like to get Sullivan and McFarland to fight there. Sullivan is a Welsh. In case either of the latter men can be secured the bout will probably be staged for the summer.

Cyclone Thompson is also figured upon as an opponent for Sullivan but while the card would be a strong one in the east, where Thompson is favorably known it would not draw so well in this part of the country, where the fans know Sullivan can defeat Thompson any time they meet.

OGDEN MAN TO TACKLE GOTCH

Ed Berguson Ready to Grapple With
World's Champion
the Mat.

A husky man by the name of Ed Berguson, who resides in Ogden, and who is a member of the fire department there, has expressed a desire to grapple with Frank Gotch on the mat, and he is on Ferguson, with Dad Conville, shares the honor of being among the best amateur wrestlers in the state of Utah, and when the proposed match with the world's champion was announced, Ferguson's friends at once convinced Ferguson that it was a duty he owed to Ogden to find out if this fellow Gotch was the real goods. So Ed saw Manager Heagren and along with Mike Yokel, Dad Conville and perhaps one or two others, will have a good time of it. Ferguson, who is a friend of how it feels to have Gotch give them one of his famous toe holds.

Ferguson, like Conville, is a wrestler and will receive only a gold medal with an inscription telling how long he stayed with the greatest wrestler that ever stepped on a mat. Manager Heagren announced last evening that the Oregon Short Line would run a special from Ogden on the night of the wrestling match.

SPORTING PERSONALS.

Herb Githens, a former champion cyclist, is a visitor in the city. Githens is representing an eastern firm in this section of the country. All cycle fans of the early '90s will remember Githens when, with Art Lundson, Van Sicklen, Birdie Munger and Pete Berio, he used to burn the dust around Chicago in road races and later became famous in the early track events.

L. H. Becraft, the well known Ogden automobile and cycle dealer, was in the city yesterday on a short business trip.

BOWLING.

Anderson was high man in the league bowling series last evening, with a total of 85 points. In spite of the good work he did for his team it lost all three games to the All Americans. The scores:

HELENA AT UNIVERSITY

The Helena and Occidental baseball teams will cross bats again on Cummings field this afternoon. The game is called for 2:30. The Helena team defeated the Occidentals at Ogden last Sunday and since that time the colored boys are looking for revenge. Helena has a new first baseman, and Langford, the big colored pitcher, arrived in the city last night and will appear in the game this afternoon. Langford said his pitching wing was in good shape and that he thought he would be able to hold Huston's heavy hitters down.

PROMISING SEASON IS OPENING
FOR ALL SPORTS IN SALT LAKE

Mr. Sporting Fan of Salt Lake, have you stopped to consider what is in store for this fast growing city the coming summer in the sporting line? Do you know that Salt Lake will be a sporting center unequalled by any other city in the west? Do you know that while this town will be fairly sizzling in sports, these same sports will be of such importance that nearly every city in America will daily chronicle the events that are dish up for the benefit of a sport loving public? This is the condition that confronts Salt Lake for the coming summer.

Salt Lake will be the horse racing center of the west. Commencing on May 2 at Ogden, a fifteen-days' meeting will carry the ponies over until the Salt Lake meeting opens on May 22. Sixty days of racing are then scheduled and the promoters are already out with the announcements that the season will be a long one.

These meetings will attract a large crowd to the city. The meetings will be held at the Ogden track, which is the best in the state. The meetings will be held at the Ogden track, which is the best in the state. The meetings will be held at the Ogden track, which is the best in the state.

While the professional boxing game is dead at present there is such a demand for a man who will greatly increase with the influx of thousands of sportsmen from the coast and east, that it is hard to see how the game can be kept down. It is bound to open, either here, in Ogden, or some of the surrounding towns, and the fight fans are already flocking here now and the weekly bouts at the St. Regis and Bean's clubs are as class as any can find on the coast, the home of real boxing.

Boxers are being attracted by these bouts and Salt Lake is destined to be the home of many more talented men than any other city in the west the coming year.

Of course the school sports will be up to the standard of the past. The Stanford team will star attraction. The Stanford team will star attraction. The Stanford team will star attraction.

With the thousands interested in the International league many thousands more will be interested in independent and smaller league ball. Salt Lake has enough class ball players in the city being organized into independent teams to insure a high class article of ball from this source and fans who like local facilities will have plenty of opportunity to see them in action.

The Bicycle Game.

Then comes the old reliable bicycle game, which for years has been a favorite sport in Salt Lake. In the sport Salt Lake will not only see as good races as it ever had in the past, but there is no reason to believe that the coming season will be more largely attended than ever. To these sports may be added the bicycle and motor road races, together with proposed football games, and the English friends who will, in spite of all obstacles, keep up cricket and soccer football matches.

Salt Lake has for years excelled the International country in tennis and golf, and the coming season will see the contest they have had. There is to be no let up in these sports and if anything the tournaments will be more largely attended than ever.

CHANGE IN ATHLETICS

Business End of High School Sports Passes Into Faculty Hands.

The management of the business end of high school athletics was considerably changed yesterday at a meeting of the athletic association. Several amendments to the constitution were passed which will in the future place the business end of the faculty and result in a number of other changes. Other important business of the association was the election of the faculty director of athletics, which was created and this office was added to the faculty this year.

The position of faculty director of athletics was created and this office was added to the faculty this year. The duties of the new officer are to be in charge of all athletic matters of the respective teams on all matters of contract and expense and shall have a party in carrying out all important business of the association.

The treasurer of the association according to the new amendments must be a member of the faculty thus passing out of the hands of the students, but the board of directors is composed entirely of students.

Another change was made in the constitution which requires the secretary to be a member of the faculty. The secretary will be in charge of all athletic matters of the respective teams on all matters of contract and expense and shall have a party in carrying out all important business of the association.

The rules governing the award of the high school "H" were adopted and it was decided to award an "H" in football to the player who played in a championship contest. He will also be given a red varsity sweater. The two first named are to be given a letter "H" on it and the baseball man a black jersey.

Frank Mantell for Second Time Shows He Is Better Than Denver Boy.

Sacramento, Cal., April 21.—Frank Mantell of Rhode Island knocked out Rube Smith of Denver in the sixteenth round of a scheduled twenty-round fight before the Buffalo Athletic club last night. Though Smith did not go entirely out, he was helpless and the referee called a halt. Smith was game, but Mantell's cleanness in landing a straight right and right uppercut was too much for the Denver boy.

SALT LAKE THEN
SEATTLE DEFEAT

Seattle Athletic Club Wrestlers
Win Three Out of Four
Bouts.

(Special to The Herald.) Seattle, Wash., April 21.—Seattle Athletic club wrestlers won three out of four bouts from the Salt Lake City wrestlers at the club smoker last night. The Salt Lake men, however, showed considerable more class than was expected and up to the last bout looked to have nearly an even break.

Fred C. Crabbe defeated Frank Duncan, 8.5 A. C. Crabbe, 15-pound class. Crabbe stayed on top and did most of the work and was justly entitled to two falls. Bert Kincaid had completely little trouble in throwing M. Miller in the 125-pound class two straight falls in 15 minutes 45 seconds and 3 minutes 6 seconds.

Cliff Evans, Salt Lake, and F. Reese, Seattle, put up the only three-bout match of the night. Reese looked like a winner when he dumped Evans in 7 minutes to open the engagement, but Evans kept on top of all the ten minutes of the second bout and won on aggressiveness. Reese showed some speed in the third meeting, grabbing his opponent at once and quickly turning him into a double arm lock. Time 2 minutes.

Oliver Monroe gave Del Judd so much trouble in his first bout that he was forced to stop the match. The Seattle man dove in from the start and flopped Judd in 3 minutes and 2 minutes, straight falls. The Seattle men were given a good hand by the crowd.

Seattle had no man in the 158-pound class and the match was given to the Utah boys by default. As a preliminary the club staged three three-round boxing matches. Henry North and William Dyer at 160 pounds, but up the speeded exhibition of the evening in the flat line line, straight falls. The Seattle men were given a good hand by the crowd.

Paris, April 21.—The Prix Dutechman was run at Tremblay, today, at 2:30. The winner was Dutechman, a 3-year-old, owned by M. W. Vanderbil, had Ganzach and Susquehanna in the Prix Barbello and the Prix Sullans respectively, but neither horse was placed.
